Sakura Finetek USA, Inc. Announces New CFO

Contact: Erico von Bueren, Director of Marketing

TORRANCE, CA – Sakura Finetek USA today announced Wayne Slomsky has been named Chief Financial Officer (CFO), effective immediately. As CFO, Mr. Slomsky will have responsibility for all of the Company's financial and administrative functions, including taxation, treasury and information technology. He will report directly to the President and Chief Operating Officer Mr. Kam Patel.

“Wayne brings a wealth of experience and knowledge to Sakura’s executive team including international financial operations,” said President and COO Kam Patel, “His vast business experience will greatly benefit Sakura Finetek and I look forward to his contributions to strengthen our business systems”.

Prior to joining the Company, Mr. Slomsky held a variety of senior financial management positions ranging from controller to C-level suite, spanning over 25 years of experience. Most recently he was with BakerCorp International, Inc., as their Corporate Controller, since December 2015, where he managed multiple accounting and finance teams in the US and Europe, supporting their oil and gas equipment rental business. Prior to BakerCorp International, Inc., from 2013 to 2015, Mr. Slomsky served as Senior Director of Accounting and Financial Reporting for Spectrum Pharmaceuticals. From 2011 to 2013, Mr. Slomsky was with DDi, Inc., (a publicly-traded company) as their Controller, Chief Accounting Officer and Chief Financial Officer, where he oversaw their organization’s global financial, accounting and operations activities for their printed circuit board manufacturing business.

Mr. Slomsky has also held senior level positions with Power Balance, LLC as their Senior Vice President of Finance and Administration, during 2010 and 2011, Dot Hill Systems Corp., a publicly traded data storage company, as their Corporate Controller, from 2007 to 2010, Powerwave Technologies as their Americas & Asia Regional Controller, from 2004 to 2007 and with Lantronix, Inc., as their Corporate Controller, from 2000 to 2004.
